THE FISCAL REPORT	
Income in 1982 was derived from three sources:	
1982 registration fees including penalties and delinquent fees from prior years	\$ 945,178.00
Interest income	62,627,16
Other income	6,321.25
Total	\$1,014,126.41
Operating expenses for 1982 were as follows:	
Salaries of administrator and staff	\$ 669,558.36
Social security and state and federal unemployment taxes	48,514.30
Employees retirement trust	24,760.22
Hospital, medical, life, and workers' compensation insurance	49,319.61
Office rentals and utilities	105,159.41
Travel (commission, staff, inquiry, hearing and review boards)	34,566.71
Telephone	30,977.38
Postage	29,565.46
Office equipment rental	15,114.08
Printing, duplicating, annual report, library, office supplies and related expenses	74,336.32
Insurance (fire, theft and extended coverage)	9,029.82
Auditing, bookkeeping, payroll, pension administration, and other professional services	21,515.87
Court reporting for disciplinary proceedings	38,524.58
Witness fees, investigation, and related expenses	9,885.93
Depreciation expense (office equipment)	38,081.52
Data processing software and maintenance .	22,128.49
Excess of cost of reinstatement over revenue	852.05
Expenses of Supreme Court Committee on Professional Responsibility	2,535.25
Total	\$1,224,425.36

In 1981 the disciplinary fund experienced a net loss and a decrease in the operating fund. In its report to the Court for 1981, the Commission predicted that the fund would experience a substantial loss in 1982 and that the operating fund would be depleted.

The Commission's prediction has proved to be correct. In 1982 income was \$1,014,126.41 and expenses were \$1,224,426.36. The disciplinary fund experienced a net loss of \$210,198.95. These facts are illustrated on Graphs 1 through 3.

As a result of the anticipated depletion of the operating fund the Commission found it necessary to ask the Court to increase the registration fees for 1983. The Commission suggested that the fee for lawyers admitted between one and five years be increased from \$15.00 to \$30.00, and the fee for lawyers admitted more than five years be increased from \$30.00 to \$50.00. The Court decided, however, to increase for 1983 the \$15.00 fee to \$20.00 and the \$30.00 fee to \$40.00. The Court accepted the Commission's recommendation that the lower fee be charged lawyers admitted between one and three years and that the higher fee be charged lawyers admitted more than three years.

The Commission anticipates that the income generated by the new fees combined with interest and other income will result in total revenues of \$1,409,000.00. Early in 1983, the Commission gave final approval to a balanced budget for fiscal year 1983. (See Appendix 3.)

Supreme Court Rule 756 requires that the Administrator notify each registered attorney no later than November 1 that a registration fee is due by January 1 of the following year. As a result, the Commission receives most of its income for a given year in the preceding year. The annual audit report each year shows the funds collected for the following year as "deferred income." The result has been confusion and misunderstanding in some quarters. To alleviate the problem, the Commission has decided to change to a fiscal year commencing November 1 (the date the registration application is mailed each year) and ending October 31 of the following year.

THE CASELOAD REPORT

The caseloads of the Administrator, the Inquiry, Hearing and Review Boards, and the disciplinary cases in the Supreme Court in 1982, were as follows:

The Administrator received 3,182 communications from the public during 1982 which resulted in the docketing of 2,285 charges against attorneys. During the year 694 charges were dismissed and 116 complaints were voted by the Inquiry Board. Chart 1 details

The duties of staff counsel include working with the Inquiry panels in the investigation of charges against lawyers and trying and reviewing all matters before the Hearing Board, the Review Board and the Supreme Court. In addition, staff counsel represent the Administrator and Commission in litigation in various courts and before administrative agencies. Appendix D of this report lists the other matters for which staff attorneys were responsible in 1982.

The 2,285 charges received from the public by the Administrator in 1982 were clussified by type of matter or case and by type of attorney misconduct charged.

REPORT ON STAFF CHANGES

With the exception of the resignation of Charles S. Morgan, effective December 31, 1982, few staff changes occurred in 1982. John A. Holtaway, who had been serving as the lawyer assistant since January 26, 1981, was licensed May 3, 1982 and was hired as counsel in Mr. Morgan's place. In early 1983, however, several significant staff changes occurred.

Effective January 1, 1983 the Commission approved the appointment of John C. O'Malley as Assistant Administrator and Chief Counsel and Jerome Larkin as Senior Counsel. Counsel David M. Beckerman resigned in order to engage in the private practice of law. Clerk Laura Belmonte also resigned. The Commissioners authorized the Administrator to hire three attorneys: Lawrence W. Carroll, former counsel to the Chicago Title and Trust Company; Theresa M. Gronkiewicz, a recent graduate of The John Marshall Law School, and Deborah M. Kennedy, a recent graduate of Chicago-Kent College of Law. Thomas P. Sukowicz, who had been serving in the position of lawyer assistant, assumed the position of clerk.

The Commission extends to David M. Beckerman and Charles S. Morgan its gratitude for their work and its best wishes for the

As of December 31, 1982 the full time staff of the administrator's office consisted of the administrator, and (a) in the Springfield office: an attorney, a special counsel, and an administrative assistant; (b) in the Chicago office: an assistant administrator and chief investigator, a chief counsel, a senior attorney, five attorneys, one lawyer assistant, one senior investigator, three investigators, a records manager, a clerk, a computer system operator, an administrative assistant, four secretaries, two receptionist-typists, and a staff assistant.

REPORT ON RULE CHANGES

During 1982 the Commission reviewed its rules to determine whether the rules reflect the current demands of the disciplinary process. The Commission concluded that nearly ten years of experience and practice highlight certain areas where change is required and several rules were amended accordingly.

Rule 1.4 was amended to allow the Administrator to close files that do not warrant submission to the Inquiry Board. The amendment further provides that if the complainant disagrees with the Administrator's determination, the matter shall be referred to the Chairman or Vice-Chairman of the Inquiry Board.

Rule 4.3 was amended to facilitate the assignment of substitutes to serve on a hearing panel if a member of the panel is unavailable.

Rule 6.3 was amended to correct a typographical error.

The heading of Rule 8.1 was amended to conform to the substance of the rule.

Rule 9.3 was amended to allow the Hearing Board to recommend the imposition of a reprimand without first obtaining the agreement of the Administrator and Respondent. The rule was further amended to provide that if either party disagrees with the Board's recommendation, exceptions may be filed with the Review Board.

Rule 10.1 was amended to clarify the authority of the Chairman of the Review Board to rule on preliminary motions before the Board.

Rule 10.4 was amended to afford time for either party to file exceptions to a recommendation by the Review Board that a reprimand be administered.

Rule 11.1, relating to reinstatement, was amended in several respects to require that additional information be included in a petition for reinstatement.

The Commission Rules are available upon request from either of the Commission's offices.

GENERAL NOTES

December 31, 1982

A. ACCOUNTING POLICIES

The books and other financial records of the Commission are recorded on an accrued basis. $\label{eq:condition} % \begin{center} \end{center} % \begin{cen$

The accounting year of the Commission is December 31, as established by a resolution by the Commissioners dated May 21, 1975.

Fixed assets are carried at cost less accumulated depreciation computed on a straight-line method over an estimated useful life of six to ten years. Leasehold improvements are amortized over the lease period.

The Commissioners have created a fund for the replacement of physical assets. The amount appropriated for the year ended December 31, 1982, was \$37,421.04. The fund balance at December 31, 1982, totals \$143,491.52.

B. 1982 UNCOLLECTED FEES

By December 31, 1982, only 742 attorneys were unregistered and \$4,353.00 in registration fees uncollected. Of the 742 unregistered attorneys, 38 were not residents of Illinois, 529 were removed from Master Roll, 19 were more than 75 years old, and 156 were unaccounted for by reason of death or a change of address without notification to the Commission. The \$4,353.00 in uncollected registration fees are not carried as receivables since it cannot be determined that the amount is owed. A concerted effort was undertaken by the Administrator to determine the reasons for failure to register. A second registration application was sent to each attorney. Telephone calls and personal visits were made throughout the state to determine whether the unregistered attorneys were engaged in the practice of law.

C. INVESTMENTS

All investment transactions are handled by the Trust Department of the Illinois National Bank of Springfield and are held in safekeeping at the bank.

D. COLLECTION OF FEES

The Commission is funded by an annual registration fee assessed against Illinois attorneys. The annual fee is sent directly to a lock box located at the Springfield, Illinois, U.S. Post Office. The box is under the sole supervision of the Illinois National Bank of Springfield. The contents of the Box are accounted for solely by the bank and all monies are deposited to the Commission's account. An accounting for these funds is sent regularly to the Commission's computer department for processing and comparison to the registration and billing records. The system is test checked by our audit and the lock box system is also checked by the Internal Auditors of the bank and the National Bank Examiners.

E. LEASE COMMITMENTS

The Commission has the following major lease commitments existing at December 31, 1982.

- Chicago Office September 1, 1975 through August 31, 1985 (Suite 1900-1920). Present value of lease commitment \$105,660.00. June 1, 1981 through August 31, 1985 (Suite 2020). Present value of lease commitment \$87,400 plus possible escalations for operating expenses. The Commission is also leasing on a month to month basis storage space at \$75.00 per month. (See Note K).
- Springfield Office February 1, 1980 through January 31, 1983 (Suite 330). Present value of lease commitment \$1,066.00 plus possible escalations for real estate taxes, operating expenses and utilities. (See Note K).

F. TAXABLE STATUS

On January 29, 1976, the Internal Revenue Service officially recognized the Commission as a tax exempt organization under Section 501(c)(6) of the Internal Revenue Code. Under the Letter of Determination the Commission is exempt from Federal income tax. However, it is required to annually file Form 990 (an information return) with the I.R.S. The Internal Revenue Service has examined the return for the year ended December 31, 1978, and made no changes.

G. DEFERRED INCOME

On November 1, 1982, registrations for the calendar year 1983 were mailed to all attorneys. Any registration fees received from the mailing date to December 31, 1982, are deferred income. The amount received during such period was \$1,073,284. which will be reported as income in 1983.

H. EMPLOYEES' RETIREMENT PLAN AND TRUST

On October 15, 1977, the Commission established a Retirement Plan Trust for the benefit of all qualified employees. Under the terms of the agreement each participating employee is required to contribute four (4%) percent of his or her annual salary to the Trust and the Commission is required to contribute a like amount. In addition the employees and Commission may contribute additional amounts.

The Plan and Trust was effective January 1, 1977. The contribution by the Commission during 1982 was \$24,760.22. Mr. Carl H. Rolewick is the Plan Administrator.

The Internal Revenue Service has approved the Plan and Trust for qualification. On March 3, 1981, the Internal Revenue Service made an examination of the plan qualification, transactions and operations. On May 11, 1981, the Internal Revenue Service informed the Commission that the return for the period ended December 31, 1980, was accepted as filed.

LITIGATION

Periodically attorneys or other persons bring suit against the Commission, staff, or members of the various boards challenging the Commission's authority or seeking injunctive relief or damages allegedly caused by disciplinary decisions. These cases have been handled successfully by staff attorneys. While some cases are currently pending, in the opinion of the Commission, they are without merit.

In addition, on July 30, 1980, the Commission and the Administrator, on their own behalf and on behalf of all employees' past and present, filed suit against the Internal Revenue Service and the Department of Health and Human Services seeking judicial review of the Social Security Administration's revocation of employee social security coverage. On December 29, 1982, the case was dismissed by the United States District Court and the Commission has appealed. The matter is pending in the United States Circuit Court of Appeals.

On July 26, 1982, the Chicago Bar Association filed suit in the Circuit Court of Cook County against the Commission, the State Board of Law Examiners and the Auditor General of the State of Illinois seeking declaratory review of the nature of the Commission and the State Board and the authority of the Auditor General to audit the funds of those agencies. The matter is pending.

On August 23, 1982, the Auditor General filed a motion for leave to file original petition for writ of mandamus in the Supreme Court of Illinois seeking the Court's determination as to the nature of the Commission's funds and requesting that the Attorney Registration and Disciplinary Commission be compelled to submit to an audit by the Auditor General. The matter is pending.

J. GROUP LEGAL SERVICE REGISTRATION FEE FUND

All registration fees received for group legal service plans have been segregated from all other funds of the Commission. Presently these monies are invested in a trust account at the Illinois National Bank, Springfield, Illinois.

K. SUBSEQUENT EVENTS

The Commission has the following major lease commitments, replacing those mentioned in Note E. $\,$

- Chicago Office April 1, 1983 through March 31, 1988 (floors 19 and 20). Present value of lease commitment \$630,180.00.
- Springfield Office February 1, 1983 through January 31, 1986 (Suite 330). Present value of lease commitment \$51,484.50 plus possible escalations based on all operating expenses of building.
