Do you need help accessing  
ARDC services or activities  
because of a disability?

The ARDC is committed to removing barriers that prevent the full and meaningful participation by anyone.

For help or information, contact the above  
Disability Coordinator.

Help for people with disabilities is available. This may be:

- Qualified sign language interpreters, assistive listening devices, video phone, and CART captions
- Documents made available in large-print or Braille
- Access for service animals (dogs and miniature horses)
- Help completing documents
- Allowing companions, support workers, care providers, and family members

Requests may be made by any means (for example, in writing or verbally). For faster responses, you are encouraged to make your request to the Disability Coordinator.

Request and grievance forms are available through the Disability Coordinator and by visiting: <https://www.iardc.org/Home/DisabilityAccess>
